Code of ethics to check Malpractices and Plagiarism in Research

The Institute strictly adhere the discipline code of ethics to check malpractices and plagiarism in research work. The Institute makes it mandatory for all faculty, researchers & students to follow the policy of academic malpractice and plagiarism. Institute appointed the research committee to deploy the way of research ethically and strives to use best tools and practices. The research committee make aware to faculty & students to identify and check academic malpractice. Research work should be original and not plagiarized from any source. In order to ensure academic integrity, the Institute follows a policy guidelines for plagiarism prevention for all research material. The Institute published the Research Journal having the standard recognition. Peer review committee has been appointed to take the review of Research papers. Renowned academicians involved in the review committee to review the research paper before to publish in the DMI Research Journals to avoid malpractices and plagiarism.

Director (Acting)
