Alumni of institute are working in different sectors like Information Technology, pharmacy, retail, electronics & telecommunication, quality assurance & control, networking, research, finance, data

management, human resource management, marketing and academics. The students are encouraged by interaction with alumni.

The alumni of the college are members of various committees such as Internal Quality Assurance Cell (IQAC) and Local Management Committee. Alumni participate and contribute to the development of the college in the following ways:

The Alumni are called as Resource Person for Guest Lectures on various curricular subjects. Alumni aid for guiding the students about current trends in corporate world & software development. The institute alumni are working at various reputable positions in the corporate and industry. They share their knowledge and experiences with the students.

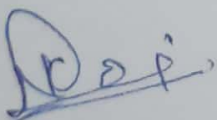

Alumni help the current students to find best opportunities in Summer Internship Project & Internship Training.

They provide students with opportunities for earning while learning by informing about Short Duration Projects.

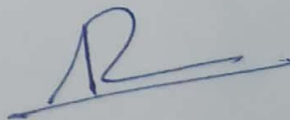

They also communicate Placement Opportunities to regular students as well as Alumni students.

In this way, they help to minimize the gap from campus to corporate.

The institute aims to sustain the life long association between the institute and the alumni for the growth & betterment of the institute.
