I am Amit Bal completed my MBA from DMI. The time I spent in this institute really helped me convert myself from a meager college student to a successful professional in Global Corporate World.

The learning's I have received in this small stint have immensely helped me achieve great heights in my professional career. I am aware when you reach great heights you need to be humble that is my learning but pride just flows when I consider my association with the Institute The faculty and the staff were extremely co-operative and helped us throughout our development process.

I am thankful to the visionary and reformist Management, Director and faculty of DMI to have put this institute on the education map through their trust dedication and strong desire to develop the young generation in tire II city like

“I am truly indebted to our beloved college lecturers who prepared us to face the harsh realities of the professional world. Lecturers here in DMI are really co-operative and helpful. They use new and innovative ways to teach the management lessons to students. DMI, unlike other colleges, doesn't just concentrate on the academic scorecard but also ensures that the students learn things and get groomed which is important for the future career. The discipline at DMI has helped me become a better person.”

"I think the DMI does an amazing job. I know how challenging it is just running an institute like ours and appreciate the enormous effort put in by many people. I have appeared for MCA course in DMI and found it incredible that this quality of teaching is available. It takes huge effort to organize educational programs such as those we have available to us. I look forward to seeing what comes in the future and hope I'm around in this life long enough to connect with even a small portion of DMI. Thank you for your valuable co-operation. "

"Looking forward to achieve some goal in my future life I took admission to DMI with a hope of getting well qualified staff and good academics. DMI always turned out to be more and more deserved for me as my career got a start from my curriculum itself. A highly qualified staff friendly in nature in all aspects gave me knowledge and various experiences of more than what a normal student can think of achieving.

All of these made the DMI MCA program a truly stimulating experience and a very worthwhile investment in terms of both personal and professional development."
